

Features and Specifications

Privacy Screens

BuzziDesk is a desk mounted, sound absorbing screen available in three heights and seven widths. It's made of a honeycomb cardboard core, covered with 100% recycled BuzziFelt, and available with round or straight corners. The stitching is anthracite for OffWhite, Natural, or Ivory BuzziFelt colors and OffWhite for all other BuzziFelt colors. An extra layer of fabric can be specified over top of the BuzziFelt. If specifying an extra layer of fabric, a contrasting color can be selected in the same fabric grade. If the Rough fabric pattern is specified, the stitching will be Anthracite. BuzziDesk is mounted with BuzziFix.

BuzziFix

BuzziFix is a fixation system made of powder coated metal. Multiple attachment options are available. BuzziFix Thin brackets are 0.12" thick and BuzziFix Bold brackets are 0.24" thick. Each bracket option includes a set of two brackets besides BuzziFix Thin Foot which includes one bracket. BuzziFix Bold Magnet should only be used with BuzziDesk screens that are 15.75" high. BuzziFix Thin Foot should only be used with BuzziDesk screens that are 15.75" high and less than 63.00" wide.

Additional Notes

BuzziDesk features acoustic attenuation for high tones.
