Features and Specifications

Screens

BuzziFalls Standing is a sound absorbing screen comprised of two layers of 100% recycled BuzziFelt with cutout shapes in various patterns and a powder coated black metal profile. BuzziFalls Standing can be specified with contrasting BuzziFelt colors is. Available as a single screen or three screens which should be put in a zigzag line when installed. An add on screen is available to extend up to five BuzziFalls Standing panels. Two powder coated black metal base plates are included with the single screen. The three screen and add on versions include two adjustable feet and three hinges per panel. Change the direction of the panel by turning the hinges 180 degrees. A set of two powder coated black metal base plates are available for the three screen and add on versions. The baseplates should be mounted to each end of the unit.

Additional Notes

BuzziFalls Standing features acoustic attenuation and diffusion for high tones.

BuzziFalls Standing is GREENGUARD Gold certified.
