Pendant Lights and Chandeliers
Swell indoor/outdoor pendant lights feature interchangeable, spun aluminum shades. The LED lights are fully dimmable. The sockets and check-rings are made of aluminum. The canopy and mounting hardware are made of steel. Chandeliers come with a white canopy. Pendant lights come with a canopy that matches the color of the cord.

Modular Pendant Lights*
Swell indoor/outdoor modular pendant lights feature interchangeable, spun aluminum shades. The LED lights are fully dimmable. The sockets and check-rings are made of aluminum. The canopy and mounting hardware are made of steel.

Additional Notes

Shades with a black or brass exterior come with a black cord. Shades with a white exterior come with a white cord.

* When purchasing a Swell modular pendant light, an Accessory Kit containing a power feed cord and canopy must be purchased, UNLESS the light is added to an existing string which already contains a power feed cord and canopy. Additional lights can be added individually, up to 34 lights.

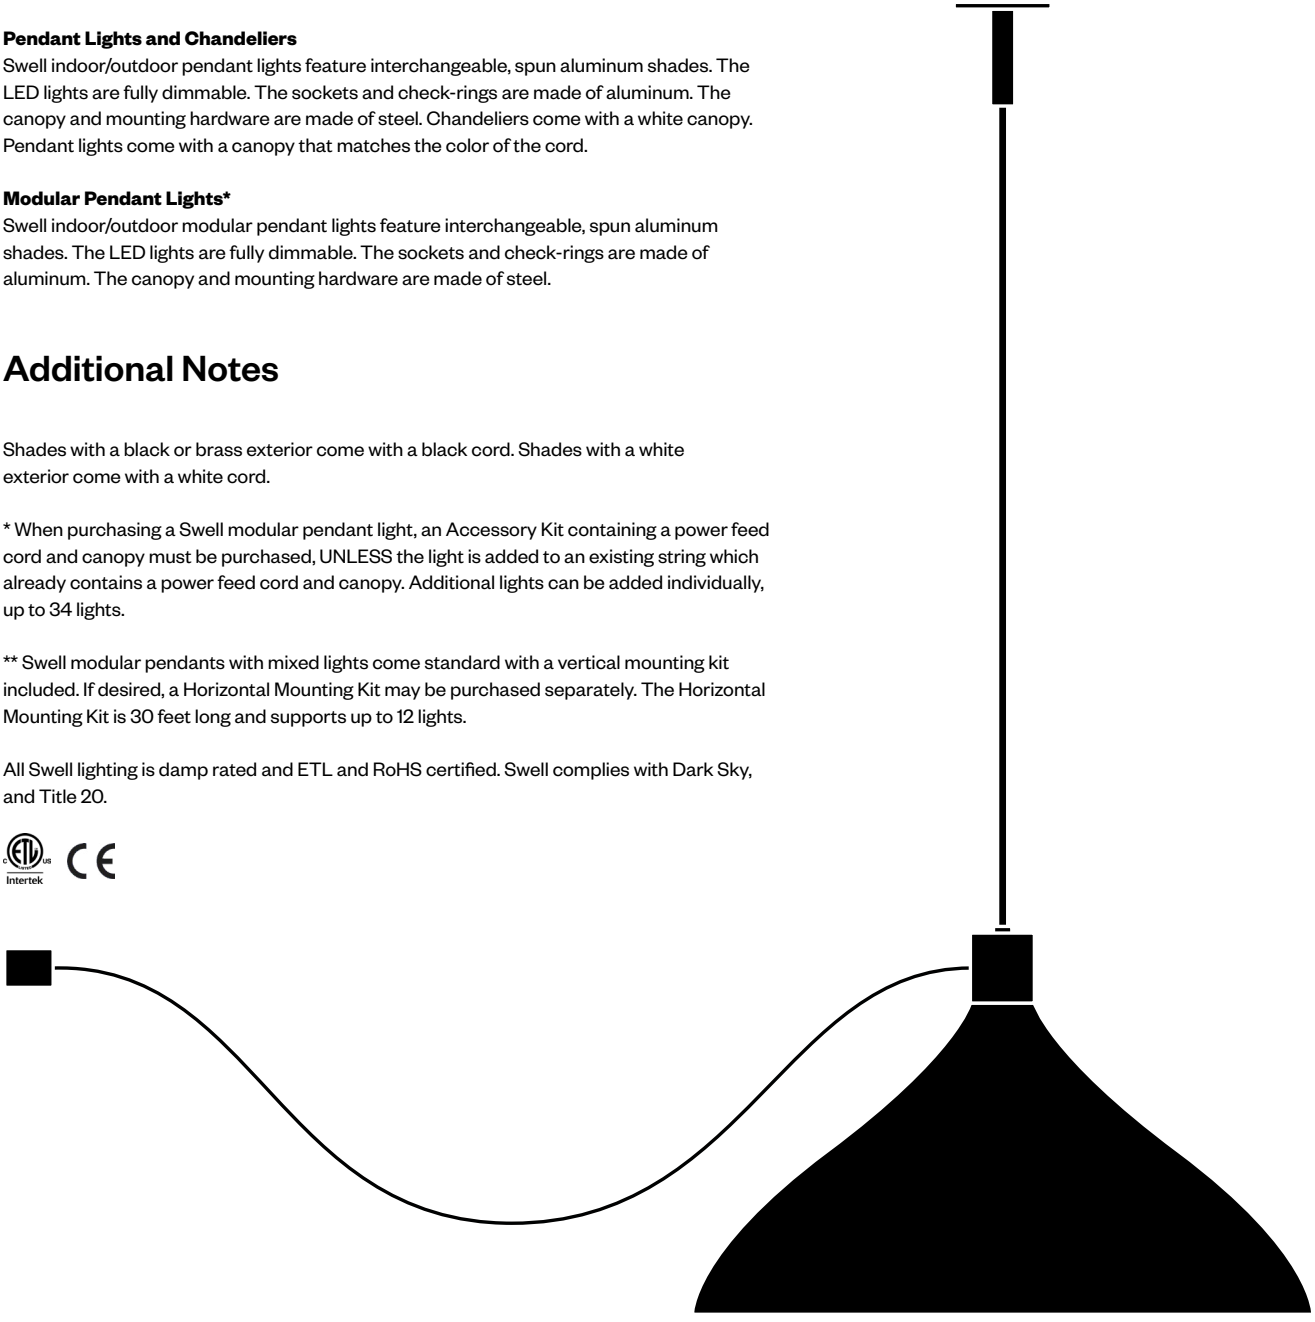

** Swell modular pendants with mixed lights come standard with a vertical mounting kit included. If desired, a Horizontal Mounting Kit may be purchased separately. The Horizontal Mounting Kit is 30 feet long and supports up to 12 lights.

All Swell lighting is damp rated and ETL and RoHS certified. Swell complies with Dark Sky, and Title 20.
